

Installation Instructions for Meta Visions Meta2

Hardware requirements: To use the 3D Hologirlfriend software a Meta2 Augmented Reality device is required. 1 GB of hard drive space is required to install the 3D Hologirlfriend software. Please refer to the Meta2 hardware and software requirements to ensure your computer meets the minimum requirements to run the Meta2 device

Set-up:

1. Click Meta2 App in the model's detail page. Unzip the file that is downloaded.
2. Click the exe file contained in the unzipped folder.
